# Reading Corpus Christi Procession

This event was organised by the Catholic students of the University of Reading, with the support of the two neighbouring parishes.

The procession will include a halfway stop for a brief moment of adoration and benediction.

If coming by car, Pay+Display Parking 1a near the Shinfield Road entrance may be used for £2/hr. The procession should last an hour so please allow for two hours parking. Then walk to St William.

When processing on public roads, please only walk two abreast for safety on narrow pavements.

Please stay hydrated.

Thanks also to the parish of Beckenham, London for lending us their processional canopy.
